

February 24, 1976

amendment they can do it either of two ways, a cash refund or they can use a tax credit. Now we're leaving that up to the State Auditor. He has some area for judgement in this. It isn't any real large.... Well it is a large problem, but it's a rather simple problem because they keep a record of the amount in the courthouse and it will take some time for those people to get these records so they can certify them to the Tax Commissioner. It does put the \$2 million in the fund. Before this money is paid out we have a certification from the counties so that we know how much money will be paid back.

Senator Syas, has written me a note and wants to know who pays the postage. I would think probably the postage would be ... if they notify these taxpayers, if they mail out the checks the counties would be responsible for furnishing the postage.

PRESIDENT: Senator Marvel.

SENATOR MARVEL: Vince, are we ready now to vote on the Committee amendment? OK. I move that the standing Committee amendment, dated 2-13-76, to 684 be adopted.

CLERK: The whole thing now, Senator?

SENATOR MARVEL: What?

CLERK: The whole amendment you mean? Before you were advancing only amendment number 1, the first paragraph.

PRESIDENT: He's changed that. I just talked to him on the phone. He said he would go with the entire Committee amendment.

SENATOR MARVEL: Well we have discussed amendment number one. Senator Stull discussed amendment number two as a result of a question from Senator Syas. There're really, in this first series, only two amendments. The one reduces the 42 to 40; the second one adds the 2 million to pay-back those who paid an unconstitutional property tax.

CLERK: OK, then there's an amendment to the Committee amendment. Section 5, page 2, line 27, strike "13" and insert "12". Signed, Senator Marvel.

SENATOR MARVEL: Yes, we had.... That is an error in the original draft. Agency 13 is the Department of Education and this is supposed to be to Agency 12 which is the State Treasurer. That's all that does. I move the adoption of the Committee amendments.

PRESIDENT: Is there any further discussion?

SENATOR MARVEL: I have already moved it.

PRESIDENT: Senator Marvel has moved that the Committee amendments be adopted. Is there any discussion? You have an amendment to the amendment, Senator Marvel?
